Benefiting Hearts for Homes

... raising funds to serve others

Monday, September 14, 2009

Tour 18, Flower Mound, Texas

We invite you to support the ministries of Mountain Movers International—especially...

Hearts for Homes

www.heartsforhomes.org — A Christian outreach that provides no-cost home repairs to low-income elderly homeowners in the Denton County area.

Established in 2006, Hearts for Homes coordinates with local agencies, churches, elderly service providers and community groups to identify low-income elderly homeowners in need of assistance. HfH is an all-volunteer organization, relying solely on volunteers and the generous financial support of organizations, businesses and individuals.

Having a heart for Him and a heart for homes, this ministry has a mission to serve others as our Lord and Savior, Jesus Christ, serves us. Their goal is for the aging population to enjoy their latter years in a home that is well-functioning and comfortable

If I have a faith that can move mountains, but have not love, I am nothing. 1 Corinthians 13:2b

Dedicated to serving the poor and afflicted around the world, Mountain Movers International serves as a bridge between needs and resources. Although the needs remain great, with your assistance we can help families witness the evidence of God's love at a time when they need it most.

Lives are changed — God is glorified!
